## Short description:

Download the printable components for the Printrobot Paste Extruder. Three components in all. Just posted the DXF file for the wood components.

## Description:

Download the printable components for the Printrobot Paste Extruder. Three components in all. Also posted is the DXF file for cutting the wood components on a laser cutter.

Check back in for improvements on the BETA design.

If you can, please use the online documentation found at <http://www.youmagine.com/designs/printrobot-paste-extruder-beta> because those may have been updated. Also, there you can interact and provide praise and/or feedback.
